DETAILED ACTION

Election/Restrictions

1. Claims 1 and 8 are allowable. The restriction requirement between Groups I and II and among Species I through V, as set forth in the Office action mailed on January 24, 2006, has been reconsidered in view of the allowability of claims to the elected invention pursuant to MPEP § 821.04(a). **The restriction requirement is hereby withdrawn as to any claim that requires all the limitations of an allowable claim.** Claim 7 and 9, directed to the subject matter of Species other than Species I are no longer withdrawn from consideration because the claim(s) requires all the limitations of an allowable claim. However, claims 11-35, directed to non-elected invention and non-elected species are withdrawn from consideration because the claims do not require all the limitations of an allowable claim.

In view of the above noted withdrawal of the restriction requirement, applicant is advised that if any claim presented in a continuation or divisional application is anticipated by, or includes all the limitations of, a claim that is allowable in the present application, such claim may be subject to provisional statutory and/or nonstatutory double patenting rejections over the claims of the instant application.

Once a restriction requirement is withdrawn, the provisions of 35 U.S.C. 121 are no longer applicable. See *In re Ziegler*, 443 F.2d 1211, 1215, 170 USPQ 129, 131-32 (CCPA 1971). See also MPEP § 804.01.

EXAMINER'S AMENDMENT

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR

1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Khoi D. Nguyen on September 29, 2006.

3. The application has been amended as follows:

In the Claims:

Please cancel claims 11-35.

Allowable Subject Matter

4. Claims 1-6, 8, and 10 are allowed over prior art of record.

Reasons for Allowance

5. The following is an examiner's statement of reasons for allowance:

The instant application is allowed for the same reason that was set forth in Paragraph 5 of the Office action that was mailed on August 24, 2006.

Conclusion

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
